

The image is a retro arcade title screen. It features a black background with a vibrant green border. A pink grid pattern recedes into the distance, creating a 3D effect. In the center, the text 'NQ64' is displayed in a stylized, outlined font within a black rounded rectangle. Below this, the words 'ARCADE BAR' are written in large, bold, block letters with a yellow-to-pink gradient and a thick white outline. At the bottom, a white rounded rectangle contains the text 'PRESS START TO BEGIN' in a bold, black, sans-serif font. The scene is decorated with various elements: pink and green starbursts, small white pixelated dots, and wireframe cubes in the corners.
