ALLERGENS

VG = VEGGIE VE = VEGAN

G = GLUTEN GF = GLUTEN FREE

D = DAIRY N = NUTS

S = SULPHITES SO = SOY

All drinks are prepared fresh onsite where allergens are handled. We work clean, but due to this we cannot guarantee that they won't contain traces of allergens in rare cases.

We sell loads of local stuff too so there will be additional allergens in venue. For full details of all products, please ask the management team who will be happy to provide you with additional information.

If unsure please speak to a staff member.
